

Redeemer Boys N.S at TechFest

Redeemer Boys National School, Dundalk pictured at TechFest during Kinia's annual Creative Technology Week in Explorium, Dublin. The school had a team nominated for a Creative Technology Award for their project which involved a Soil Moisture Sensor for Archaeological Fieldwork. The nationally recognised initiative created by Kinia celebrates young people and their achievements with 2026 seeing the largest ever attendance with over 1,000 taking part. Picture Andres Poveda.
